## RECOMMENDED USES FOR HI-K

Uniformly apply the suggested rates in the following amounts of water per acre.

**COMPATIBILITY:** This product is compatible with most crop protection materials. A compatibility test is recommended when using new combinations. Do not mix with lime or TPTH. Consult a Nutrient TECH™ representative for additional information.

FOR FOLIAR APPLICATION			
	Dilution	Rate	Application Timing
Field, Row & Vegetable Crops	<b>By air:</b> 3-20 gal <b>By ground:</b> 5 gal min	1 pt - 4 qts	Apply every 2-4 weeks as needed, starting pre-bloom
Tree & Vine Crops	<b>By air:</b> 10 gal min <b>By ground dilute:</b> 100-500 gal <b>By ground concentrate:</b> 25-100 gal	1 pt - 4 qts	Apply every 2-4 weeks as needed, starting pre-bloom to post harvest
In oil sprays: use 1-4 pints per 100 gallons		Minimum dilution rate: 1 quart per 3 gallons	

**NOTE:** Product may leave residue on crops when applied at higher concentrations or at higher useage rates. Product tank mixed with soluble Calcium foliar fertilizers may leave a visible residue on crops. Do not apply such combinations within 3-4 weeks of harvest.

FOR SOIL APPLICATION			
		Rate	Application Timing
For All Crops		1 qt - 4 qts	Apply to root zone every 1-3 weeks as needed

Do not apply with phosphate or sulfate fertilizer products. Any previously applied phosphate or sulfate fertilizer should be thoroughly flushed from fertigation equipment prior to application of this product. Apply the product slowly into fertigation equipment in the early part of the water application.

Store in a cool, dry, well-ventilated area away from heat, combustible and incompatible materials. Dispose of unused contents, container, and other contaminated wastes in accordance with local, state, and federal law.

**NOTICE:** Information regarding the contents and levels of metals in this product is available on the Internet at <https://www.aapfco.org/metals.html>  
**WARRANTY DISCLAIMER AND LIMITATION OF LIABILITY:** Nutrient Technologies, Inc. ("NTI") warrants that this Product conforms to the specifications on this label.
